

Court of Appeals, State of Michigan

ORDER

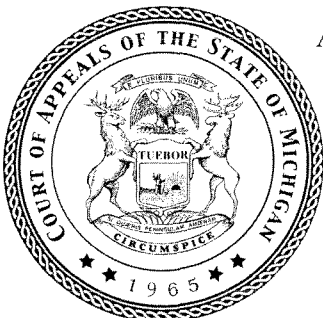

Colin Thompson v Department of Corrections/Director

Docket No. **336655**

LC No. **00-000000**

Michael J. Talbot, Chief Judge, acting under MCR 7.203(F)(1), orders:

The delayed application for leave to appeal is DISMISSED for lack of jurisdiction because it is manifest that there is no statutory or court rule authority for filing an application for leave to appeal in this Court from the December 6, 2016 decision of the State Administrative Board. While appellant cites MCL 600.6401 through MCL 600.6475, i.e., the Court of Claims Act, in support of this Court's jurisdiction it appears manifest that nothing in that act gives the Court of Appeals jurisdiction over an application for leave to appeal from a decision of the State Administrative Board.
